STATEMENT OF REASONS TO RECALL

My Name is Tom Donohue a small business owner, neighbor going on 9 years

Since July 13th during an ANC08 Commissioners Meeting where Ms. Holly Muhammad ejected only after echoing the same concerns (IN A CHAT Box) as others she has:

- Rejected & blocked notifications & access every meeting under her leadership
- Ignored every FOIA request requesting information and videos
- Lied on first attempt Recall Petition accusing me of acts untrue and intended to put my neighbors against me This is my second
- Petition the first was withdrawn as a result
- In response to asking for information she said, "I don't take instructions from Proud Boys of Charlottesville" and "YOU don't frighten me I AM NOT YOUR NEGRO! So, you better stay out of my way"
- Intimidated fellow Commissioners against a meeting to remove her
- Only permitted certain people to speak or attend meetings
- Called me Tom "willie lynch" Donohue"

Hopeful Holly's response will address the matters raised above her response should not attack me personally or to make up lies about me. I am not an elected official.
