My, my, my. The rage that explodes from the rejection of privilege and entitlement. I asked you to stop emailing me but you refuse. I'm not your Commissioner. You have no reason to contact me so stop.

The ANC finances and minutes are public information that anyone can obtain. Without a FOIA. But if you need to feel special, okay. You don't have questions for me because remember, I don't answer to you. ANC 8A is and has been in compliance as you have been told a million times. So there's your "smoking gun"!

All of your mischief making can't make me resign. I answer to ONE God and that's the ONE true and living God, Allah.

Commissioner Muhammad
